

CELL NOTES

Drenched in Awe

Acts 2: 43

Tom Shaw – 27/06/2010

1. What do you naturally think of when you hear the expression ‘fear of the Lord?’
2. Spend some time in Scripture unpacking what God has to say about ‘the fear of the Lord?’ (see footnotes for some helpful tips, but only share after people have first searched Scriptures themselves¹)
3. A recent Facebook status read the following: “Jesus is my Homeboy.” How can we grow in the fear of the Lord and reverence for the Holy Creator, whilst remaining intimate with God who enables us to cry ‘Abba Father’ (Romans 8: 15)?
